612:10-7-103. Dialysis or treatment of end-stage renal disease [AMENDED]

(a) DVR and DVS may assist with the cost of Medicare deductible, co-insurance, and services not covered by Medicare if documentation states other resources are not available and the client is actively participating in an IPE with treatment as part of the plan. Long term treatment of end-stage renal disease is not within the scope of the medical services program. Requests for kidney transplants must be approved by the medical consultant.

~~(b) Treatment may be authorized in three month increments with supervisory approval only if the client continues to make satisfactory progress toward the vocational objective.~~
