

1 **612:10-7-105. Hearing aids [AMENDED]**
2
3

4 (a) Hearing aid(s) may be purchased for those eligible persons for whom an
5 aid(s) is recommended. If diagnostic examinations recommend a hearing aid(s)
6 for a client, arrangements are made for the client to return to a licensed
7 audiologist for a hearing aid evaluation. The evaluation will determine the type of
8 hearing aid which can best serve the client.
9

10 ~~(b) The Medical Assistance Unit of the Department of Human Services normally~~
11 ~~provides hearing aids for those eligible persons under age 21. The counselor can~~
12 ~~provide this service if the client is nearing working age and a definite vocational~~
13 ~~program can be formulated.~~
