

1 **612:10-7-112. Nursing services [AMENDED]**
2

3 (a) Nursing services can be provided for a client who is convalescing from
4 physical restoration services if recommended by the doctor of treatment. Either
5 Registered Nurses or Licensed Practical Nurses may be used to provide this
6 service when a current medical vendor agreement is on file with the Department.
7 Volunteers may be used if less technical care is needed and if approved by the
8 client's physician.
9

10 (b) Before providing any nursing service outside the hospital, the counselor will
11 determine if the service is available from any other source.
12

13 ~~(c) The provision of this service requires Supervisory Approval.~~
