

1        **612:10-7-151.        Duration of college and university training [AMENDED]**

2

3        (a) It is the policy of DVR and DVS to assist clients in training for a particular  
4        vocation so the individual will have the skills needed to reach his or her full  
5        potential in that vocation in light of the individual's education, experience,  
6        abilities, interests, and limitations. For DVR and DVS clients pursuing a college  
7        or university degree, the Department will sponsor only the number of semester  
8        hours or remaining hours required for a specific degree.

9

10       (b) Previously completed credit hours which are applicable to the degree  
11       requirements will be incorporated in the development of the IPE. When a client  
12       changes majors, DVR and DVS funding will be limited to the number of credit  
13       hours needed for the new major minus the number of DVR and DVS funded  
14       credit hours lost due to the change in majors, unless the change in majors results  
15       from circumstances beyond the client's control. ~~All IPE's which include DVR and~~  
16       ~~DVS funding of training beyond the bachelors degree level must be approved by~~  
17       ~~the field coordinator.~~
