Bean day diner preps

A TRIO OF OKLAHOMA SCHOOL FOR THE BLIND students prepare dining trays, napkins and utensils for the annual Sapulpa Lions Bean fundraiser, held last Thursday within the First Baptist Church dining hall. The event is worked by OSB students and faculty and proceeds are donated to the Muskogee school. Visually impaired students from left Emma Saunders, Morgan Hudson, teacher's aid Rachel Dunn (standing) and Mathieo Noah worked on the hundreds of plates and to-go boxes needed to feed visitors hungry for the Lions cooked Lima, Pinto and Navy beans plus Blackeyed Peas, served alongside chili and the famed Kelly Lane recipe cornbread first entered in the Creek County fair in 1953 and still deliciously unchanged in 2015. Another long standing Lions traditon is that the leftover foodstuffs are donated to Caring Community Friends.
